## Meridian Trust helps members keep warm

Meridian Trust Federal Credit Union gave members about \$4,500 to help pay home heating bills this past winter.

Meridian Trust's Heating and Energy Assistance Trust program – or HEAT – has provided about \$20,000 worth of assistance since its establishment 2005. The trust is funded by Meridian Trust's Skip-A-Payment Program, which is offered every December.

Meridian Trust is a full-service, not-for-profit financial cooperative founded more than 50 years ago on the philosophy of people helping people. The credit union has offices in Cheyenne, Rawlins, Lander and Jackson. MTFCU also partners with Utah Power Credit Union to operate PowerTrust Credit Union Service Organization facilities in Casper and Rock Springs.
