Meridian Trust Mitten Tree helps needy kids

Meridian Trust Federal Credit Union's five branches across the state recently collected more than 300 sets of new mittens, gloves and caps for those in need. The credit union also collected about \$140 in cash donations.

Donations in Cheyenne, Rawlins and Lander, were distributed through the local Head Start agencies. In Jackson, the donations went to the Santa Claus Fund.

Meridian Trust would like to thank all of the generous members and employees who donated to this project.

Meridian Trust is a full-service, not-for-profit financial cooperative founded more than 50 years ago on the philosophy of people helping people. The credit union has offices in Cheyenne, Rawlins, Lander and Jackson. Meridian Trust also partners with Utah Power Credit Union to operate PowerTrust Credit Union Service Organization facilities in Casper and Rock Springs.
